Spend the Summer with Illumination Learning Studio and make friends and memories to last a lifetime. Whether families need one week over the summer, a month, or the whole summer, our camps are fun and educational for kids while convenient and affordable for parents. Our Adventure themed camps give kids plenty of outdoor activities and also serve to keep the enthusiasm for learning alive during the long Summer-break. Each themed adventure camp includes field-trips, engaging lessons, outdoor play time and weekly visits to play in the water, either at our local beaches or water spray parks.

- ★ Camp runs 9:00am-4:00pm, Monday through Friday unless a holiday week
- ★ Options to extend Before Camp 8:00-9:00am and After Camp from 4:00-6:00pm
- ★ Option to add weekly music lessons at reduced summer rate
- ★ Small Camp Sizes with low Camp-leader to Student ratio (1:10)
- ★ Each Camper gets a Summer Camp t-shirt

Summer Camp 2020 Descriptions

Full-day Camps 9:00-4:00 with before/after options

Hogwarts Academy: Your invitation to Hogwarts has arrived! Young witches and wizards will be officially sorted into their houses, craft wands, compete in quidditch, and learn what it takes to become a master of magic. Campers will learn about creatures; magical and non-magical, potions, spells, and what makes the world of Harry Potter special! As a special guest, campers will have a special visit to experience the magic of George A. Magician.

Art Adventures: Get ready for an art tour around the world. From the ancient origins of art, to modernistic masterpieces, campers will get a hands-on tutorial of art styles across the globe. Young artists will sculpt, paint, sketch, weave, and study the iconic works of artists from Europe, Asia, South America, Africa, and North America. To top off the week, campers will get to explore the Seattle Art Museum.

Game Coders: Campers will need to bring their best gaming skills for Game Coders Camp! Students will learn what makes games work, from board games to Atari to Virtual Reality. More than just experiencing some of the world's most iconic games, gamers will get a crash course on computer coding and see how games are created. As a bonus, our gamers will be visiting the Minecraft exhibit at the MoPOP. OLDER: As a bonus, our gamers will be visiting Portal VR for a hands-on VR experience.

Ancient Archeology: Ever wonder how to read a treasure map? Uncover secrets hundreds of years old? Your adventure is here! Young Archeologists are invited for a week of treasure hunting and exploration. From fossils to gold to ruins, campers will learn about world history around the globe and how archeologists find clues and hunt down ancient artifacts. Our young archeologists can even expect a visit to the Nordic Museum.

Justice League Comics: Superheroes are needed for a week of action! Campers will join together for a week of exciting adventures fighting evil. After creating their own super identities, young heroes will learn about the origins of superheroes and villains, how they work together, and how superheroes are brought to life in comics and on the big screen. Campers will visit Pump It Up inflatable park for an afternoon of high-energy fun.

Ocean Explorers: It's time to weigh anchor and set sail! Our ocean explorers will discover what swims below the surface, get a hands on look at marine biology, and learn about the travelers of the ocean, past and present. Campers can also expect to become Marine Conservationists, discussing how we can all help save our oceans. During the week, campers will visit the Seattle Aquarium.

Secret Agents Spy Camp: Your mission, should you choose to accept, is an exciting week of spy training. Spies will create their secret identities and disguises and learn about the history of espionage, gadgets, fingerprints, and secret codes. Campers will have to put their knowledge to the test with a series of secret missions throughout the week, featuring a visit from the Seattle Police Department and a group outing to go bowling.

Star Wars Rebels: The Rebel Alliance needs your help! Travel to a galaxy far, far away to train as a Jedi, create new worlds, and work as a team to defeat the Empire and the First Order. Young rebels will learn about space travel, planets, robotics, and their role in the Star Wars Universe, complete with a visit from the Jet City Saber Guild or Foam Sword Party.

Wreck It Ralph Brick Builders: Before you Wreck-It, you have to build it, and our Brick Builders will do just that! Join in on a week of Lego building, construction challenges, and team designing. Young brick builders will learn the history of Legos, architecture, how buildings are constructed, and of course, demolition! The campers will take a field trip to play at Wunderkind's Lego play-space.

Musical- Wizard of Oz: Follow the yellow-brick road to musical camp, where our campers will star in their own version of the Wizard of Oz. Young actors will act, sing, and dance the classic musical, while also learning about what goes on behind the scenes in set building, tech, costuming, and makeup - all culminating in a performance at the end of the week. As a special treat, campers can also expect a visit from the improv group Comedy Sportz for an afternoon of fun.

*All field trips subject to change with similar activity based on vendor availability.
